Camp Incredible 2018 - Information, Policies, and Procedures

Dates and Times

Our summer program will consist of six one-week camps as follows:

Session 1: June 4 - 8

Session 3: June 18 - 22

Session 5: July 9 - 13

Session 2: June 11 - 15

Session 4: June 25 - 29

Session 6: July 16 - 20

All camp sessions are Monday-Friday from 9:00 a.m. to 3:00 p.m. Extended day available for additional fee.

Fees

- Early Registration - \$225 per session (by March 30, 2018)
- Regular Registration - \$250 per session (after March 30, 2018)
- Some camps require an extra fee - see descriptions for details.

Payment: Payment must be made at time of registration. The online registration system accepts major credit cards and digital checks.

Grade and Age Levels

All grade levels refer to the grade the student will be entering in the fall of 2018. For Pre-K level, the student must be 4 years old before the start date of the camp session. (

Refunds/Cancellations

Tuition is non-refundable unless a camp is cancelled for insufficient enrollment. If a camp is cancelled for this reason, the student may select another camp, or the tuition will be refunded. No refunds or credits are given for absences.

Changes

- **Regardless of the reason for changes (except in the case of cancellation due to insufficient enrollment), a \$25 change fee will be charged for each change made to a student's enrollment.**
- Changes must be made by the Friday before a session is scheduled to begin.
- If you need to change your student's registration after you have enrolled, you must complete and fill out a Change Form. Email campincredible@utulsa.edu to request a change form.

Extended Day

- **Extended Day is available daily from 7:30 - 9:00 a.m. and 3:00 - 5:30 p.m.**
- Extended Day is available in three separate sessions so that you can choose the specific times you need: AM (7:30-9:00), PM Session 1 (3:00-4:15), and PM Session 2 (4:15-5:30). The weekly cost for each single session is \$50.
- You may also use the Extended Day program on a drop-in basis at a rate of \$15 per day per session.
- Extended day program activities are less structured than those in the regular summer camps and will include outdoor play, games, videos, puzzles, etc.
- Students attending afternoon Extended Day should bring a snack.

Late Pickup

Pickup is from 3:00 to 3:10 p.m. Any child not picked up by 3:15 p.m. will be sent to the Extended Day Program and charged the drop-in rate, with a minimum charge of \$15. Any student in afternoon Extended Day who is not picked up by 5:30 will be charged a \$15 late fee plus \$1 per minute after 5:45 p.m.

Lunch

Students should bring a sack lunch, including a beverage. Lunches should not include soda or candy. Microwaves are available, but items needing to be warmed up should take no longer than 2 minutes in the microwave. Lunch will be supervised. **University School has a no-peanut policy; please do not include peanut products in children's lunches.**

Behavior

Students are expected to have good behavior and follow classroom and school rules at all times. Attendance at our summer program is a privilege, and inappropriate behavior may jeopardize that privilege.

Personal Items

University School is not responsible for personal items brought to camp by students. We prefer that students do not bring personal wireless devices, such as cell phones, e-readers, etc., to camp. If wireless devices are brought to camp, they must be turned off. University School is not responsible for loss, theft, or damage of personal items brought to camp.

Session 1: June 4 - 8			
No.	Name	Description	Level
1A	The Artist in Me	Anyone can be an artist! Bring your inner artist and have fun creating your own masterpieces using a variety of materials. We'll learn about some well-known artists and their works as well. <i>Instructor: Jane Poleman</i>	PreK - 1st
1B	Just for Fun	Join us as we have fun doing things that are fun -- just for fun! We'll play games, create art, build things, fly things, dance, sing, read, play outside, and play with water. <i>Instructor: Cheryl McBride</i>	PreK - 1st
1C	Maui Adventures	Let's forget about our worries and fly to the island of Maui! We'll make leis and surfboards, build sand castles, watch volcanoes erupt, collect sea shells, go on a treasure hunt, learn Hawaiian songs, and even have lunch under the sea! Have you tried Maui potato chips? We'll even enjoy some of the favorite foods of Maui kids! <i>Instructor: Leslie Gore</i>	PreK - 1st
1D	Monkey Business*	Get ready for a "chimplly" marvelous time! We will be "swinging" from one activity to another as we board the "Banana Boat" (aka school bus) and travel to museums, splash pads, Whiteside and Chandler pools, and lots of parks. We may also watch a few movies (G or PG). Hats, closed-toe shoes, and sunscreen are required. Be prepared to get wet every day! <i>Instructors: Eileen Rutter/Bernie Woytas</i> *An additional fee of \$30 is required for this camp.	K - 2nd
1E	It's a Mystery	Get a clue, and join the Super Sleuths at University School for a week filled with solving mysteries, scavenger hunts, history mysteries, finger printing and more. We'll use stories from the popular <i>A-Z Mysteries</i> , <i>Cam Jansen</i> , <i>Bailey School Kids</i> , <i>Jigsaw Jones</i> , <i>Sherlock Holmes</i> , and even the <i>Nancy Drew Mystery</i> series as a basis for planning daily games, crafts, snacks, and other activities. Put on your detective hat, and let's have some summer camp mystery fun! <i>Instructor: Regina Ritchie</i>	1st - 2nd
1F	Let's Go Lego	Lego campers will experience individual and team challenges, create "moving" Lego creations and video their progress with stop-motion iPad applications. <i>Instructors: Mary Still and Becca Roe</i>	1st - 3rd
1G	Pinterest Party	You've seen it on Pinterest, now make it at camp! Each day will have a fun-filled theme: Beach Party, Unbelievable Unicorns, Perfectly Panda, You Scream Ice Cream, and Marvelous Mermaids. From canvas paintings to bath bombs to snacks almost too cute to eat, we will make it and you get to take it, but without all of the mess at home. <i>Instructors: Shannon Johnson and Julie Lindsey</i>	2nd - 4th
1H	Marvelous Math	Do you speak Math? Learn the language of math while enjoying indoor and outdoor activities. We will increase our math literacy while having conversations about math problems. Verbal problem-solving and explicit strategy instruction will be part of our fun and games. Friday will include a fabulous fraction party with edible equations. <i>Instructor: Lorna Fuller</i>	3rd - 4th
1I	USchool Star Wars	A long time ago, in a classroom NOT so far away . . . Join us on this galactic journey into the world of everything Star Wars. The force will be with you as you make your own light saber, enjoy Star Wars snacks, play Empire vs. Rebel games, dress and act as characters, and maybe even welcome a special visitor or two. If you love Star Wars, then this is the camp you are looking for! <i>Instructors: Pam Thomason and Glen Thomason</i>	4th - 8th
1J	Fashion Show Sewing, Sr.	Our exclusive sewing project will be a fake fur stole to wrap up in and model in Friday's Fashion Show. Each student will also sew a small stuffed animal. We'll also play games and use rubber stamps to make cards and crafts. No sewing experience is necessary. You'll have SEW much fun! <i>Instructor: Lori Hovenesian</i>	5th - 8th
1K	Beginning Academic Bowl	Buzz in! This camp is specifically designed for the beginning academic bowler. Learn about study tools, how to write questions, and what topics and items come up often during quiz bowl competitions. There will be daily practice and a tournament. The camp will stress best strategies for playing on a team and in different academic bowl formats. <i>Instructors: Kay Strain and Teresa Smith</i>	5th - 8th
1L	Hot Stuff/ Cool Treats	If you like to create things with fuse beads and make cold treats, this is the camp for you! We'll iron awesome designs and make a variety of cold taste sensations. We will modify pre-made ice cream into delicious delights, and make pudding pops and popsicles! <i>Instructor: Melissa Hamby</i>	5th - 8th

Session 2: June 11 - 15			
No.	Name	Description	Level
2A	Japanese Culture for Kids	We'll immerse ourselves in all things Japanese in this fun camp! We will learn to fold origami, make and illustrate books, learn simple calligraphy, create a Japanese garden, fly kites, count to 10 in Japanese, learn common Japanese phrases, make and sample Japanese foods, and even eat our lunch on tatami mats. <i>Instructor: Leslie Gore</i>	PreK - 1st
2B	Summertime Fun with Water	Let's experience water in all its many forms! In this camp, we'll play with water, taste it, experiment with it, and discover why it is an essential part of life. We will find out what happens when water meets up with light, dirt, seeds, rocks, plants, and human skin. Come join the fun! <i>Instructors: Cheryl McBride and Michele Fox</i>	PreK - 1st
2C	The Artist in Me	Anyone can be an artist! Bring your inner artist and have fun creating your own masterpieces using a variety of materials. We'll learn about some well-known artists and their works as well. <i>Instructor: Jane Poleman</i>	K - 3rd
2D	Time Travelers	Just like Jack and Annie, popular characters from the <i>Magic Tree House</i> books, campers will travel back in time to explore many interesting places. The <i>Magic Tree House</i> series introduces young readers to different cultures and important times in history. Each day of camp will offer a new adventure, based on books such as <i>Pirates Past Noon</i> , <i>Night of the Ninjas</i> , <i>High Tide in Hawaii</i> , <i>Balto of the Blue Dawn</i> , and <i>Stage Fright on a Summer Night</i> . Stories, skits, games, snacks, and crafts will reflect the adventure of the day. Climb into the Magic Tree House and join us for a trip back in time! <i>Instructor: Regina Ritchie</i>	1st - 2nd
2E	Super STEM Challenge	Enjoy a week of science, technology, engineering, and math with tons of fun challenges where students can explore density, gravity, buoyance, potential and kinetic energy, solar power, and laws of motion just to name a few. Some of our engaging activities will include: a space lander challenge, making a roller coaster, creating the tallest tower, solar-powered snacks, fidget spinner facts, rockets, robots, and more! <i>Instructor: Shannon Johnson</i>	1st - 3rd
2F	Fashion Show Sewing, Jr.	Our exclusive sewing project will be a fake fur stole to wrap up in and model in Friday's Fashion Show. Each student will also sew a small stuffed animal. Other camp activities will include Pinterest crafts, dress-up, games and more. No sewing experience is necessary. You'll have SEW much fun! <i>Instructor: Lori Hovenesian</i>	2nd - 4th
2G	Safari Joe's H2O*	This week, we'll be spending time every day at Safari Joe's H2O Water Park. Rainy days are no problem; we'll have other options which include G or PG movies. Participants will receive a park pass and a cup to use all summer. If you enroll by the Early Bird deadline, you'll receive a certificate in May so that you will be able to use your park pass before camp. Students will be provided with a swim shirt for the week; it must be worn to prevent sunburn. <i>Instructors: Eileen Rutter/Bernie Woytas</i> *Additional \$30 fee required for this camp.	2nd - 8th
2H	Games Galore	Do you love Connect Four, Apples to Apples, or Uno? Join us in the fun of the game. We will enjoy dice, card, board, party and children's games. We'll have the opportunity to use real-life social skills in turn-taking, problem-solving, differentiation of facts and opinions, and much more. Join us as we form bonds and build friendships while we hang out, talk, and play games. <i>Instructor: Lorna Fuller</i>	3rd - 4th
2I	1970s Summer Fun	Unwind and enjoy laidback days of summer fun. We'll have simple, active outdoor play activities such as hula hooping, jump roping, playing jacks, and kickball. Indoor activities will include board games, card games, movies, reading, and relaxing. <i>Instructor: Julie Lindsey</i>	3rd - 5th
2J	Lego Motion	Lego attendees will participate in building competitions on an individual basis and in small groups. Campers will explore the TU campus, create "masterpieces," use stop-motion iPad applications, build relay races, and more! <i>Instructors: Mary Still and Becca Roe</i>	4th - 8th
2K	Bacon Me Crazy!	Go whole hog in this pig/bacon inspired camp! We won't be eating much pork, but we will make pig-themed crafts, watch Kevin Bacon movies, watch a few pig movies, and play swine games. We will be bakin' our snacks. Be prepared to pig out! <i>Instructors: Melissa Hamby and Teresa Smith</i>	5th - 8th
2L	High School Academic Bowl Prep	Join Mrs. Strain for a week of competition and high school academic bowl preparation. Students will learn about the style of play in both the Oklahoma Secondary School Activities Association (OSAAA) and National Academic Quiz Tournaments (NAQT). We will play games and make and use study guides with topics that come up frequently in tournament play. Mrs. Strain has won state championships with high school and junior high teams seven times and has also had two runner-up teams. Come enjoy a fun, competitive atmosphere where we will get students ready for high school academic team tryouts! <i>Instructor: Kay Strain</i>	9th

Session 3: June 18 - 22			
No.	Name	Description	Level
3A	Peace, Love & Yoga	Breathe . . . stretch . . . have fun! We'll practice fun and relaxing poses designed especially for kids, plus enjoy crafts, games, and other great activities. <i>Instructor: Jane Poleman</i>	PreK - 1st
3B	Teddy Bears & Their Wild Cousins	Do you have a fondness for a special stuffed, lovable bear? Do you enjoy stories about Winnie the Pooh, Paddington Bear, or Goldilocks and the Three Bears? Then, this camp is for you! Through story and play, we'll learn what it is that makes our cuddly companions so wonderful. We will also learn about the real-life bears of North America. From hosting teddy bear picnics to tasting some genuine bear food, campers will come away with a new appreciation for both kinds of bears. <i>Instructor: Michele Fox</i>	PreK - 1st
3C	Frozen	Join us as we explore the world of Disney's <i>Frozen</i> . We'll sing and move to the movie's music, create art, play snowball games, build ice castles, participate in dramatic play and read stories about other frozen habitats. Join your friends from some frozen fun! <i>Instructor: Cheryl McBride</i>	PreK - 1st
3D	American Girl Adventures	Enjoy a week of activities based on American Girl materials. Students will enjoy special themed days including Friendship Day, Pancake and Pajamas Day, International Day, and Western Day. Fashion design, stories, puzzles, games, crafts, movies, and snacks will keep your American girl entertained. Campers are welcome and encouraged to bring their dolls to camp. However, University School is not responsible for the dolls or other personal items brought to camp. <i>Instructor: Regina Ritchie</i>	1st - 2nd
3E	Young Chefs of America	Cooking helps kids develop confidence and self-assurance. In this camp, kids will learn to make meals and snacks, understand kitchen tools, read recipes, plan, and shop. They will also learn about nutrition, foods that go well together, and what foods make a balanced meal. All this while having tons of fun! <i>Instructor: Leslie Gore</i>	2nd - 4th
3F	Lego Mania	Lego campers will participate in building competitions on an individual and group basis, create "moving" Lego creations, build relay races, and use stop-motion iPad applications to video their progress. <i>Instructors: Mary Still and Becca Roe</i>	2nd - 6th
3G	Field Trip Fun*	We'll have a week of field trips in this fun-filled camp. Some of our activities and destinations may include swimming, roller-blading, fishing, archery, skating, and water parks! You don't need equipment for these activities in order to participate. Rainy days will be just as fun and may include G or PG movies. Field trips may vary depending on age of participants and weather. Snacks and Gatorade provided daily. Athletic shoes/sneakers recommended. Be prepared to get wet every day. <i>Instructors: Eileen Rutter/Bernie Woytas</i> *Additional \$30 fee required for this camp.	2nd - 8th
3H	Vocab is Fab	Campers will enjoy a week of fun and games while expanding their vocabulary. Indoor and outdoor activities will be utilized to build vocabulary skills. Our fun lessons will not only aid in vocabulary development, but will also reinforce auditory skills, cooperative teamwork, and analytical thinking. <i>Instructor: Lorna Fuller</i>	3rd - 4th
3I	Planetology & Beyond: Exploring the Universe	See the solar system as it was discovered by <i>Mariner</i> and <i>Voyager</i> and marvel at the discoveries of more modern planetary probes such as <i>Cassini</i> and <i>Galileo</i> . Subjects will include planets, black holes, dark matter, gravity waves and more. Hands-on activities will make subject matter accessible and videos will include interviews with scientists, engineers, and astronauts. Students will be given the opportunity to research astronomical topics of their own interest, make conjectures about future discoveries, and share their results. <i>Instructor: Lily Clough</i>	5th - 8th
3J	All Around Academic Bowl	Buzz in! This camp is specifically designed for all academic bowlers. Topics covered will be different from those in the beginning and advanced camps. Learn about study tools, how to write questions, and what topics come up often during academic bowl competitions. There will be daily practice and a tournament. The camp will stress best strategies for playing on a team and in different academic bowl formats. <i>Instructors: Kay Strain and Teresa Smith</i>	6th - 8th

Session 4: June 25 - 29			
No.	Name	Description	Level
4A	Build-a-Band	This summer, let's learn about instruments, make a few, and sing and dance, too! Through crafts and activities, we'll learn about instruments, music theory, and reading rhythms. On Friday, our friends and family will be invited to a performance where we will sing songs, play our own instruments, and maybe even conduct a little! <i>Instructor: Laura Kubilis</i>	PreK - K
4B	Moana and Maui	Enjoy a week of fun with Disney's <i>Moana</i> ! We are heading to the island for sun, sand, and fun! We will explore island culture, listen and move to the sound of music, have storytelling adventures, and create island art. And, of course, we'll spend lots of time playing -- with the water table, with games, outside, and in our dramatic play center. <i>Instructor: Cheryl McBride</i>	PreK - 1st
4C	Peace, Love & Yoga	Breathe . . . stretch . . . have fun! We'll practice fun and relaxing yoga poses designed especially for kids, plus enjoy crafts, games, and other great activities. <i>Instructor: Jane Poleman</i>	K - 3rd
4D	Around the World	All aboard! Pack your suitcase and let's go on a trip around the world. The University School world travelers will hone their map skills, learn about currency, and discuss different modes of transportation as they take virtual visits to some of the most beautiful and interesting places in the world. This all-inclusive trip will include arts and crafts, sampling cultural foods, and the week will end with a Mexican fiesta complete with a piñata! <i>Instructor: Regina Ritchie</i>	1st - 2nd
4E	Safari Joe's H2O*	This week, we'll be spending time every day at Safari Joe's H2O Water Park. Rainy days are no problem; we'll have other options which include G or PG movies. Participants will receive a park pass and a cup to use all summer. If you enroll by the Early Bird deadline, you'll receive a certificate in May so that you will be able to use your park pass before camp. Students will be provided with a swim shirt for the week; it must be worn to prevent sunburn. <i>Instructors: Eileen Rutter/Bernie Woytas</i> *Additional \$30 fee required for this camp.	2nd - 8th
4F	Chatterbox Challenge	You are challenged to join the fun! Campers will be led in indoor and outdoor activities focusing on logical thinking, figures of speech, analogies, inferences, and more. Our fun lessons will encourage cognitive development, the use of auditory skills, cooperative teamwork and vocabulary enrichment. <i>Instructor: Lorna Fuller</i>	3rd - 4th
4G	Restaurant Possible	Kids will learn what it takes to start and run a casual Japanese restaurant/café from concept to menu creation and pricing, prepping, cooking and opening the doors. This is a fun, fast-paced camp for kids who are willing to jump in, work with a team, and enjoy the rewards of their hard work. The instructor for this camp, Mrs. Leslie Gore, is a former restaurant owner, so she is the perfect guide! <i>Instructor: Leslie Gore</i>	4th - 6th
4H	Intro to Painting	No experience is needed! We'll start with the basics of painting, such as mixing colors and learning about intensity and value. We'll compare styles of painting, learn vocabulary, talk about the history of painting, and discuss techniques. We'll create a color wheel and a chart of intensities, a 1"x1" cutout from a larger image, and then students will create at least one painting of their own choice. <i>Instructor: Lily Clough</i>	5th - 8th
4I	MARVEL-ous Adventures	Is your spidey sense tingling? Do you feel the need to save the day? This camp will fuel your love of the comic book superheroes through games, snacks, the occasional craft, and, of course, your favorite Marvel movies. <i>Instructor: Melissa Hamby</i>	5th - 8th
4J	Advanced Academic Bowl	Buzz in! This camp is specifically designed for the advanced academic bowler. Students participating in this camp should have been a part of a competition team or camp during the previous school year. Students will learn common academic bowl topics for junior high and how to apply memory tools to these areas. There will be daily practice and a tournament. The camp will stress best strategies for playing on a team and in different quiz bowl formats. <i>Instructors: Kay Strain/Teresa Smith</i>	7th - 8th

Session 5: July 9 - 13			
No.	Name	Description	Level
5A	Dragons & Princesses: A Fairy Tale Musical	Come with us on a fairytale adventure as we sing songs, read stories, create, and learn all about music! Be ready to dress up as a king or queen, a princess, knight, or even a dragon! With each fun activity, we'll also be growing in our knowledge of music theory. Be prepared for a special performance at the end of the week - you won't want to miss it! <i>Instructor: Laura Kubilis</i>	PreK - K
5B	Long Ago, Away We Go!	Join us as we travel back in time to the early pioneer days! We'll dress like pioneers, cook some old-fashioned recipes, play games from long ago, and have a grand time! We will also be doing some sewing and creating art from the early 1900s. So, come along and "rough it" while we have a blast from the past! <i>Instructor: Lindsay Schonberger</i>	PreK - 1st
5C	Monkey Business*	Get ready for a "chimplly" marvelous time! We will be "swinging" from one activity to another as we board the "Banana Boat" (aka school bus) and travel to museums, splash pads, Whiteside and Chandler pools, and lots of parks. We may also watch a few movies (G or PG). Hats, closed-toe shoes, and sunscreen are required. Be prepared to get wet every day! <i>Instructors: Eileen Rutter/Bernie Woytas</i> *An additional fee of \$30 is required for this camp.	K - 2nd
5D	Nature Ninjas	We'll begin the week by reading the Magic Tree House book <i>Night of the Ninjas</i> . A combination of nature and ninja crafts, games, snacks, and activities will fill the week. We'll take an up-close look at the wonderful world of nature, including natural resources, habits and habitats of animals, insects and creatures of the sea. Campers will also enjoy indoor camping activities complete with an edible campfire. <i>Instructor: Regina Ritchie</i>	1st - 2nd
5E	Hogwarts Journey	Jump aboard the Hogwarts Express for a week of witchcraft and wizardry. We will make wands, mix potions, play Quidditch and explore the fantastic realm of Harry Potter. Pack your imagination and prepare for fun and adventure. <i>Instructor: Bryce Brimer</i>	1st - 3rd
5F	Grammar Games	Enjoy a week of indoor and outdoor activities to reinforce language skills as they relate to parts of speech. We'll play fun, non-traditional games to address many skills such as vocabulary development, following directions, cooperative teamwork, and independent decision-making. <i>Instructor: Lorna Fuller</i>	3rd - 4th
5G	Mathamusements	Math can be magic! This camp is filled with interesting and exciting math activities. Learn number tricks and marvelous memory techniques, solve challenging puzzles, play games, and more. Get ready to have fun with numbers! <i>Instructor: Julie Lindsey</i>	4th - 6th
5H	Frogs, Hogs, Dogs & Other Musical Inspirations	Come enjoy a week of fun with the art of Sandra Boynton and her many musical friends. From Brad Paisley to Meryl Streep and Patti LuPone to Beach Boy Brian Wilson, the music styles and artists are many and varied. Students will analyze, categorize and intelligently review many of the more than 60 songs available in the several books published so far by Sandra Boynton. <i>Instructor: Kathy Call</i>	4th - 8th
5I	Minecraft, Sr.	Each student will create a cardboard Minecraft village for interacting with the class. We will paint a Minecraft t-shirt, play various games, and do Minecraft crafts. It's a week of all things Minecraft! <i>Instructor: Lori Hovenesian</i>	5th - 8th
5J	I ♥ the 80s	Nostalgia will be the muse for this camp, full of all the things that made the 80s a decade to remember. We will eat 80s snacks, play 80s games, and watch some totally tubular 80s movies. <i>Instructors: Melissa Hamby and Teresa Smith</i>	5th - 8th
5K	Shark Tank - Japanese Restaurant	Students will develop a restaurant concept and propose it to investors. The proposal will include writing a business plan, creating recipes, cooking, presenting, and enjoying the fruits of their labor. This will be an eye-opening, high energy, exhilarating camp for adventurous team players! <i>Instructor: Leslie Gore</i>	5th - 8th
5L	Graphic Novels: Reading & Writing	They're NOT just comic books! Unearth the weird and wonderful world of graphic novels, a fusion of illustration and creative writing. Learn about the very first graphic novels and their authors. Camp activities will include reading, discussion, videos with author interviews, and more. Students will be able to share some of their favorite titles and will create their own graphic novel during the week. <i>Instructor: Lily Clough</i>	5th - 8th

6A	Wonderful World of Nature	Calling all nature lovers! Join us as we discover the many wonders of nature around the globe and in our own backyards. We'll enjoy and appreciate nature through art, books, and fun activities. <i>Instructor: Jane Poleman</i>	PreK - 1st	
6B	Rock, Roll & Rhyme	We'll be making music in all sorts of ways this week! We'll write our own song, create our very own musical instruments using recycled materials, and have a talent show at the end of the week. We will also be learning how to play different rhythms, and we'll use movement to act out songs. Come join us for this fun ruckus! <i>Instructor: Lindsay Schonberner</i>	PreK - 1st	
6C	Urban Campout	This indoor camp-IN will include an indoor campfire, an edible campfire, campfire stories, camp snacks, nature crafts, friendship games and activities, and more. Campers will make camp buckets, participate in basic first aid training, learn about the uses of a bandana, and explore the world of nocturnal animals. Campers will even take virtual trips to some of the most beautiful campsites in the world. Grab your backpack and a flashlight, and let's go camping! <i>Instructor: Regina Ritchie</i>	1st - 2nd	
6D	Minecraft, Jr.	Each student will create a cardboard Minecraft village for a class game. We will paint a Minecraft t-shirt, play games, and do Minecraft crafts. It's a week of all things Minecraft! <i>Instructor: Lori Hovenesian</i>	2nd - 4th	
6E	Field Trip Fun*	We'll have a week of field trips in this fun-filled camp. Some of our activities and destinations may include swimming, roller-blading, fishing, archery, skating, and water parks! You don't need equipment for these activities in order to participate. Rainy days will be just as fun and may include G or PG movies. Field trips may vary depending on age of participants and weather. Snacks and Gatorade provided daily. Athletic shoes/sneakers recommended. Be prepared to get wet every day. <i>Instructors: Eileen Rutter/Bernie Woytas</i> *Additional \$30 fee required for this camp.	2nd - 8th	
6F	Magnificent Math	Learn the language of math while enjoying indoor and outdoor activities. We will increase our math literacy while having conversations about math problems. Verbal problem-solving and explicit strategy instruction will be part of our fun and games. Friday will include a fabulous fraction party with edible equations. (Magnificent Math may be taken on its own or as a continuation of Marvelous Math from Week 1. This class will have new activities.) <i>Instructor: Lorna Fuller</i>	3rd - 4th	
6G	Hogwarts Journey	Jump aboard the Hogwarts Express for a week of witchcraft and wizardry. We will make wands, mix potions, play Quidditch and explore the fantastic realm of Harry Potter. Pack your imagination and prepare for fun and adventure. <i>Instructor: Bryce Brimer</i>	4th - 6th	
6H	Lodge and Collage in July	What's exciting about spending time at a cabin? Relaxing, playing games, art, and eating! Join us for a week filled with creating collages, painting, board games, and enjoying favorite cabin foods like smores and sliders. Plan to have fun and de-stress! <i>Instructor: Leslie Gore</i>	4th - 8th	
6I	In the Cards	If you like to play card games, this is the camp for you! Prepare to engage in epic card battles with other students and the camp teachers. We will pull in some additional board games as well and snack on classic party mixes. <i>Instructor: Melissa Hamby</i>	5th - 8th	
6J	STEAM: Science Tech Engineering Art Math	Explore the exciting, interdisciplinary world of the STEAM fields and learn about how current research is shaping the future and solving global problems big and small. Each day will have a theme with hands-on activities, and students will be given space to create connections between the STEAM fields as we learn about the history of science, computers, and technology and discuss the impact of these fields on our daily lives. Students will also be given time to research a topic of their own interest and share their results. <i>Instructor: Lily Clough</i>	5th - 8th
