**University School at TU
Summer Programs**

Camp Incredible 2019 - Information, Policies, and Procedures

Dates and Times

Our summer program will consist of six one-week camps as follows:

Session 1: June 3 - 7
Session 2: June 10 - 14

Session 3: June 17 - 21
Session 4: June 24 - 28

Session 5: July 8 - 12
Session 6: July 15 - 19

All camp sessions are Monday-Friday from 9:00 a.m. to 3:00 p.m. Extended day available for additional fee.

Fees

- Early Registration - \$225 per session (by March 30, 2019)
- Regular Registration - \$250 per session (after March 30, 2019)
- Some camps require an extra fee - see descriptions for details.

Grade and Age Levels

All grade levels refer to the grade the student will be entering in the fall of 2019. For Pre-K level, the student must be 4 years old before the start date of the camp session.

Refunds/Cancellations

Tuition is non-refundable unless a camp is cancelled for insufficient enrollment. If a camp is cancelled for this reason, the student may select another camp, or the tuition will be refunded. No refunds or credits are given for absences.

Changes

- Regardless of the reason for changes (except in the case of cancellation due to insufficient enrollment), a \$25 change fee will be charged for each change made to a student's enrollment.
- Changes must be made by the Friday before a session is scheduled to begin.
- If you need to change your student's registration after you have enrolled, you must complete and fill out a Change Form. Email campincredible@utulsa.edu to request a change form.

Extended Day

- Extended Day is available daily from 7:30 - 9:00 a.m. and 3:00 - 5:30 p.m.
- Extended Day is available in three separate sessions so that you can choose the specific times you need: AM (7:30-9:00), PM Session 1 (3:00-4:15), and PM Session 2 (4:15-5:30). The weekly cost for each single session is \$50.
- You may also use the Extended Day program on a drop-in basis at a rate of \$15 per day per session.
- Extended day program activities are less structured than those in the regular summer camps and will include outdoor play, games, videos, puzzles, etc.
- Students attending afternoon Extended Day should bring a snack.

Late Pickup

Pickup is from 3:00 to 3:10 p.m. Any child not picked up by 3:15 p.m. will be sent to the Extended Day Program and charged the drop-in rate, with a minimum charge of \$15. Any student in afternoon Extended Day who is not picked up by 5:30 will be charged a \$15 late fee plus \$1 per minute after 5:45 p.m.

Lunch

Students should bring a sack lunch, including a beverage. Lunches should not include soda or candy. Microwaves are available, but items needing to be warmed up should take no longer than 2 minutes in the microwave. Lunch will be supervised. **University School has a no-peanut policy; please do not include peanut products in children's lunches.**

Behavior

Students are expected to have good behavior and follow classroom and school rules at all times. Attendance at our summer program is a privilege, and inappropriate behavior may jeopardize that privilege.

Personal Items

University School is not responsible for personal items brought to camp by students. We prefer that students do not bring personal wireless devices, such as cell phones, e-readers, etc., to camp. If wireless devices are brought to camp, they must be turned off. University School is not responsible for loss, theft, or damage of personal items brought to camp.

Session 1: June 3 - 7			
No.	Name	Description	Level
1A	Over the Moon	Have you ever heard of a fingernail moon? Or a blood moon? How about a blue moon? Sometimes the moon in the night sky is full and round; other times it's just a sliver. Join us as we learn about the many phases (and faces) of our beautiful moon through stories, music, and lots of fun art projects. <i>Instructor: Jane Poleman</i>	PreK - K
1B	Just for Fun!	This camp will be full of enjoyable activities that are "just for fun!" Activities will include art, movement, dress-up, cooking, yoga, reading and story-telling, sensory exploration, water play, and also lots of time for free play, both indoors and out. <i>Instructor: Cheryl McBride</i>	PreK - 1st
1C	Japanese Culture for Kids	Your child will be immersed in all things Japanese! We'll learn to fold origami, draw and illustrate books, learn simple calligraphy, create a Japanese garden, fly kites, count to 10 in Japanese, learn common Japanese phases, make and sample Japanese foods, and even eat our lunch on tatami mats. This will be a fun and calming camp! <i>Instructors: Leslie Gore and Becca Roe</i>	PreK - 1st
1D	Monkey Business*	Get ready for a "chimply" marvelous time! We'll be "swinging" from one activity to another all week. We'll all board the "Banana Boat," (aka school bus) and travel to museums, splash pads, Whiteside and Chandler pools, and lots of parks. Your kids are guaranteed to go bananas over this class. Hats, closed-toe shoes, and sunscreen are required. Be prepared to get wet every day! <i>Instructors: Eileen Rutter and Liz Daniels</i> *This camp requires payment of an additional \$30 fee.	K - 2nd
1E	Time Travelers	Just like Jack and Annie, characters from the <i>Magic Tree House</i> books, campers will travel back in time to explore many interesting places. The book series introduces readers to different cultures and important times in history. Each day will offer a new adventure based on books such as <i>High Tide in Hawaii</i> , <i>Polar Bears Past Bedtime</i> , <i>Pirates Past Noon</i> , <i>Buffalo Before Breakfast</i> , <i>Balto of the Blue Dawn</i> , and <i>Stage Fright on a Summer Night</i> . Stories, skits, games, snacks, and crafts will reflect the adventure of the day. Climb into the Magic Tree House and join us for a trip back in time! <i>Instructor: Regina Ritchie</i>	1st - 2nd
1F	DIY Space Camp	Join us for a hands-on camp all about space! We'll enjoy lots of fun space-themed activities and projects. Some of these include making edible moon phases, creating a play dough solar system, making a rocket maze, using marshmallows to make a galaxy, and lots more! <i>Instructor: Chen Lao Shi</i>	1st - 3rd
1G	Hogwarts Journey	Jump aboard the Hogwarts Express for a week of witchcraft and wizardry. We'll make wands, mix potions, play Quidditch and explore the fantastic realm of Harry Potter. Pack your imagination and prepare for fun and adventure. <i>Instructor: Bryce Brimer</i>	1st - 3rd
1H	Hot Stuff/Sweet Stuff	You can't re-fuse" this fun! Make awesome perler bead art and enjoy cool treats. Campers will make fuse bead projects of their own choice, and most of the sweet treats will be made by students each day. <i>Instructors: Melissa Hamby and Kim Schaefer</i>	3rd - 8th
1I	Marvelous Math	Do you speak Math? Learn the language of math while enjoying indoor and outdoor activities. We'll increase our math literacy while having conversations about math problems. Verbal problem solving and explicit strategy instruction will be part of our fun and games. Friday will include a munchable multiplication party with edible equations. <i>Instructor: Lorna Fuller</i>	4th - 5th
1J	Pamper Me Spa/Pinterest Party	Two camps in one! Spend half your day being pampered and the other half creating Pinterest-inspired crafts. It's double the fun! Campers will spend each day crafting, creating, and enjoying spa treatments in a Zen-like atmosphere. Join us for a fabulous experience! <i>Instructors: Julie Lindsey, Shannon Johnson, Pam Thomason, Friday Pappas</i>	4th - 8th
1K	Sew Pretty	Each student will sew a clutch purse and a placemat and create other lovely Pinterest items. Fun games and cards will keep us laughing and entertained. No previous sewing skills necessary. <i>Instructor: Lori Hovenesian</i>	5th - 8th
1L	STEAM	How are science, technology, engineering, art, and math (STEAM) related to each other and how do they shape the modern world? We'll do hands-on experiments and engineering challenges, create art, and have lots of discussion. Some of our challenges will include creating circuits to light LED bulbs, finding life in the Martian soil, and doing rocket science calculations and experiments. <i>Instructor: Lily Clough</i>	5th - 8th
1M	All Around Academic Bowl	Buzz in! This camp is designed for all academic bowlers. Topics introduced will be different from those in the advanced camp. Learn about study tools, how to write questions, and what topics and items come up often during competitions. There will be daily practice and a tournament. The camp will stress best strategies for playing on a team and in different academic bowl formats. <i>Instructors: Kay Strain and Teresa Smith</i>	5th - 8th

Session 2: June 10 - 14

Join us as we learn about the many phases (and faces) of our beautiful moon through stories, music, and lots of fun art projects. <i>Instructor: Jane Poleman</i>	PreK - K
2B	Under Construction	Kids will use their natural love of building to explore topics such as gravity and balance while they are busy constructing roads, buildings, and homes. We will use cranes, dump trucks and bulldozers to make awesome creations including sculptures and sand castles. After looking at the ways that humans build, we'll also take a look at builders in the animal kingdom. <i>Instructors: Michele Fox and Cheryl McBride</i>	PreK - 1st
2C	Crazy About Colors	Each color-themed day of the week, campers will create colorful crafts, art projects, and interesting food items. Campers will have fun learning about colors and color combinations, making rainbow slime, playing games, cooking, designing banners and decorations, making flags, and even giving tie-dye a try. We hope you'll go color crazy with us! <i>Instructor: Regina Ritchie</i>	1st - 2nd
2D	Badminton and Ping Pong	We'll learn basic badminton and table tennis (ping pong) skills in this fun and active class. We'll have other activities to fill in our day as well. Join us for lots of exciting skill-building and learning! <i>Instructor: Chen Lao Shi</i>	1st - 3rd
2E	Safari Joe's H2O	This week, we'll be spending time every day at Safari Joe's H2O water park. Rainy days are no problem; we have other options. Participants will receive a Safari Joe's pass and a cup to use all summer. If you enroll by March 30, you'll receive a certificate in May so that you will be able to use your pass before camp. <i>Instructors: Eileen Rutter and Liz Daniels</i> *Requires payment of an additional \$30 fee.	2nd - 8th
2F	Passport to Paris	Bienvenue en France! (Welcome to France!) Campers will immerse themselves in all things French. We'll explore France's culture with a fun week of delicious French cuisine, amazing art, music, literature, crafts, games, and activities. <i>Instructors: Julie Lindsey and Shannon Johnson</i>	2nd - 4th
2G	Junior Chefs of America*	Cooking helps children develop confidence. In this camp, kids will learn to make meals and snacks, understand kitchen tools, read recipes, plan, and shop. They will also learn about nutrition, foods that go well together, and eating a balanced meal. As always, Mrs. Gore's homemade pancakes will be a camp staple. Join us for lots of cooking fun! (Mrs. Gore is a Certified Food Safety Manager.) <i>Instructors: Leslie Gore and Kim Schaefer</i> *Requires payment of an additional \$30 fee.	2nd - 4th
2H	Let's Go Sew	Each student will sew a drawstring backpack and a placemat and create other cute Pinterest crafts. Fun games and cards will keep us laughing and entertained. No previous sewing skills necessary. <i>Instructor: Lori Hovenesian</i>	2nd - 4th
2I	Lego Motion	Campers will participate in building competitions on an individual basis and in small groups. We'll use the Lego WeDo software to create and program a moving model, use stop-motion iPad applications, build relay races, and lots more. <i>Instructors: Mary Still and Becca Roe</i>	2nd - 4th
2J	It's All Fun and Games	If you like playing games, this is the camp for you! With a variety of Wii games, board and card games, and challenges, you are sure to enjoy a week of friendly competition and teamwork. We'll even create our own game shows and play games similar to <i>Minute to Win It</i> , <i>Family Feud</i> , and more. Game-themed snacks will be provided daily. <i>Instructors: Melissa Hamby, Teresa Smith, Kay Strain</i>	3rd - 8th
2K	Magnificent Math	Do you speak Math? Learn the language of math while enjoying indoor and outdoor activities. We'll increase our math literacy while having conversations about math problems. Verbal problem solving and explicit strategy instruction will be part of our fun and games. Friday will include a delectable division party with edible equations. (This class may be taken separately or as a continuation of <i>Marvelous Math</i> , offered in Week 1. Activities for each week will be different.) <i>Instructor: Lorna Fuller</i>	4th - 5th
2L	Space Exploration	See the solar system as it was discovered by <i>Mariner</i> and <i>Voyager</i> and marvel at the discoveries of the modern probes such as <i>Cassini</i> and <i>Galileo</i> . Then travel beyond our solar system and discover new worlds. We'll ask big questions and learn about a variety of topics including black holes, dark matter, the Big Bang, and Mars. Activities will include building a telescope, creating an exoplanet landscape, and designing a message for intelligent extraterrestrial life. <i>Instructor: Lily Clough</i>	5th - 8th

No.	Name	Description	Level
3A	Games! Games!	Join us as we explore the world of games and learn about sportsmanship and the joy of playing games. We'll talk about the fun and frustration of competition as we play sports, board games, guessing games, brain games, and outdoor games on the playground. <i>Instructor: Cheryl McBride</i>	PreK - 1st
3B	Once Upon a Time	Everyone loves a good story! In this camp, we'll bring to life tales that have been passed down for generations, mixing European tales with stories from other nations and cultures. We'll practice the art of storytelling, and we'll explore the lessons stories have to tell through art, food, games, and dramatic play. <i>Instructor: Michele Fox</i>	PreK - 1st
3C	Animal Planet	Come and learn about a new animal each day of camp! We'll use iPads to research our animals, and then we'll have lots of activities, including songs, games, craft-building, and more. We'll even make animals out of towels! <i>Instructor: Chen Lao Shi</i>	PreK - 1st
3D	Marvelous Mosaics	Join us as we journey through the magical world of mosaic art. Mosaic art has been around for thousands of years and is still found in many places today. We'll have lots of fun creating our own designs using beautiful tiles, stones, beads, and more! <i>Instructor: Jane Poleman</i>	K - 2nd
3E	American Girl Adventures	Enjoy a week of activities based on American Girl materials. Students will enjoy special themed days including Friendship Day, Pancakes and Pajamas Day, and International Day. Fashion design, stories, puzzles, games, crafts, movies, and snacks will keep your American girl entertained. Campers are welcome and encouraged to bring their dolls to camp. However, University School is not responsible for the dolls or other personal items brought to camp. <i>Instructor: Regina Ritchie</i>	1st - 2nd
3F	Let's Go Lego	Campers will experience individual and team challenges, create "moving" Lego projects, and make videos of their progress with stop-motion iPad applications. <i>Instructors: Mary Still and Becca Roe</i>	1st - 3rd
3G	Field Trip Fun*	We'll have a week of field trips in this fun-filled camp. Some of our activities and destinations may include swimming, roller-blading, fishing, archery, skating, and water parks! You don't need equipment for these activities in order to participate. Rainy days will be just as fun. Field trips may vary depending on age of participants and weather. Snacks and Gatorade provided daily. Athletic shoes/sneakers recommended. Be prepared to get wet every day. <i>Instructors: Rutter/Daniels</i> *Requires payment of an additional \$30 fee.	2nd - 8th
3H	Junior Chefs of America II*	This class is an extension of the Junior Chefs of America camp. Attendees must have attended either the <i>Junior Chefs</i> camp in Week 1 OR the <i>Junior Chefs</i> camp from last summer. Students in this class will prepare advanced recipes such as sushi, sauces, salads, and soups. We'll learn the art of cooking, food presentation, and food handling. The highlight will be participating in our "chopped" competition. (Mrs. Gore is a Certified Food Safety Manager.) <i>Instructors: Leslie Gore and Rita Powell</i> *Requires payment of an additional \$30 fee.	2nd - 4th
3I	Retro Summer Fun	A blast from the past: Unwind and enjoy laidback days of summer fun. Campers will have fun hula hooping, and playing four square, kickball, and jacks. We'll make totally awesome tie-dye shirts, listen to disco music, play games, eat groovy snacks, and watch retro TV shows. <i>Instructors: Julie Lindsey and Shannon Johnson</i>	4th - 6th
3J	Flowers and Fringe	Each day, we'll create flowers with different materials, including fabric, paper, and paint. Project, such as fringing a t-shirt and making other crafts, will inspire creativity. We'll also play games and cards to keep us laughing and entertained. <i>Instructor: Lori Hovenesian</i>	3rd - 8th
3K	Pop Culture: Fantasy Worlds	Join us as we journey to a different fantasy world daily. We'll spend each day diving into a different fantasy world: Harry Potter, Lord of the Rings, Marvel, and more. We'll watch movies, play games, and eat theme-related treats. <i>Instructors: Melissa Hamby and Kim Schaefer</i>	3rd - 8th
3L	Vocab is Fab	Campers will enjoy a week of fun and games while expanding their vocabulary. Indoor and outdoor activities will be utilized to build vocabulary skills. Our fun lessons will not only aid in vocabulary development, but will also reinforce auditory skills, cooperative teamwork, and analytical thinking. <i>Instructor: Lorna Fuller</i>	4th - 5th
3M	Hogwarts Journey	Jump aboard the Hogwarts Express for a week of witchcraft and wizardry. We'll make wands, mix potions, play Quidditch, and explore the fantastic realm of Harry Potter. Pack your imagination and prepare for adventure. <i>Instructor: Bryce Brimer</i>	4th - 6th
3N	Graphic Novels	Unearth the weird and wonderful world of graphic novels, a fusion of illustration and creative writing. We'll learn about the first graphic novels and will discuss the structure and process of illustrating and writing. Activities will include drawing exercises, watching animated shows, creating a class comic, as well as creating your own mini graphic novel with unique characters. There will be plenty of reading time, and we'll have a library of graphic novels available to help you discover new favorites. <i>Instructor: Lily Clough</i>	5th - 8th
3O	Lost in Space: Not Your Typical Space Camp	Our week-long mission: to explore the pop culture world of sci-fi. <i>Lost in Space, Star Wars, Star Trek, Stargate, and Doctor Who</i> are only a few of our stops on this week of space travelling and activities. Themed snacks will be provided daily. <i>Instructors: Teresa Smith and Kay Strain</i>	5th - 8th

Some of these include making edible moon phases, creating a play dough solar system, making a rocket maze, using marshmallows to make a galaxy, and lots more! <i>Instructor: Chen Lao Shi</i>)	PreK - 1st
5C	Monkey Business*	Get ready for a "chimply" marvelous time! We will be "swinging" from one activity to another as we board the "Banana Boat" (aka school bus) and travel to museums, splash pads, Whiteside and Chandler pools, and lots of parks. We may also watch a few movies (G or PG). Hats, closed-toe shoes, and sunscreen are required. Be prepared to get wet every day! <i>Instructors: Eileen Rutter and Liz Daniels</i> *An additional fee of \$30 is required for this camp.	K - 2nd
5D	Urban Campout	This indoor camp-in will include an indoor campfire, an edible campfire, campfire cooking, camp snacks, nature crafts, friendship games and activities, and more. Campers will make camp buckets, participate in basic first aid training, make and learn about the uses of a bandanna, and explore the world of nocturnal animals. We'll even take virtual trips to some of the most beautiful campsites in the world. Grab your backpack and flashlight, and let's go camping! <i>Instructor: Regina Ritchie</i>	1st - 2nd
5E	Grammar Games	Enjoy a week of indoor and outdoor activities to reinforce language skills as they relate to parts of speech. We'll play fun, nontraditional games to address many skills such as vocabulary development, following directions, cooperative teamwork, and independent decision-making. <i>Instructor: Lorna Fuller</i>	3rd - 5th
5F	Nailed It/Tiny Treats Taste Terrific	If you enjoy the Netflix phenomenon, "Nailed It!", this is the camp for you! Students will attempt to make amazing-looking treats. We will not have any real judging, but we will make miniature treats and watch some "Nailed It!" episodes. <i>Instructors: Melissa Hamby and Teresa Smith</i>	3rd - 8th
5G	Gluten Free Please	Wondering what all the gluten-free fuss is about? If so, then this is the class for you. We'll learn all about gluten, from what it is, to where it comes from, to how it's used in our food. We'll learn how to read food labels to see how gluten is listed, and we'll learn about ingredients that can be substituted in recipes. Finally, we'll make yummy gluten-free recipes that you can take home and share with your family. The class will also put together a book containing all we learn about gluten along with recipes that you can easily make at home, including the things we make at camp. <i>Instructor: Cyndie Yocham</i>	5th - 8th
5H	Shark Tank - Japanese Restaurant*	Team campers will develop a restaurant concept and propose to investors (USchool staff). Proposals will include conceptualizing a restaurant, writing a business plan, creating recipes, cooking, and presenting. Students will then get to enjoy the fruits of their labor! An eye-opening, high energy, exhilarating camp for adventurous team players! (Mrs. Gore is a Certified Food Safety Manager.) <i>Instructors: Leslie Gore and Rita Powell. *Requires payment of an additional \$30 fee.</i>	5th - 8th

Session 6: July 15 - 19			
No.	Name	Description	Level
6A	Down by the Sea	Have you ever visited the seashore, played in the waves, or built fantastic sand castles? We'll explore some of the many species that call the ocean home and enjoy seaside fun through stories, music, and lots of fun art projects. Take a deep breath and join us as we dive to the depths of the sea. <i>Instructor: Jane Poleman</i>	PreK - K
6B	Adventures in Oklahoma	Let's explore the wonders right here in Oklahoma! We'll take a virtual tour of the sights, sounds, and oddities of our home state of Oklahoma. We'll learn about our state symbols and collect pictures of the state animal, flower, tree, and bird. Lots of age-appropriate activities will accompany our learning. <i>Instructor: Chen Lao Shi</i>	PreK - 1st
6C	Nature Ninjas	The week will begin with reading the <i>Magic Tree House</i> book <i>Nature Ninjas</i> . A combination of nature and ninja crafts, games, snacks, and activities will fill the week. We'll take an up-close look at the wonderful world of nature, including natural resources, habits and habitats of animals, insects and creatures of the sea. Campers will also enjoy indoor camping activities complete with an edible campfire. <i>Instructor: Regina Ritchie</i>	1st - 2nd
6D	Safari Joe's H2O GoPro*	This week, we'll be spending time every day at Safari Joe's H2O water park. Rainy days are no problem; we have other options. Participants will receive a Safari Joe's pass and a cup to use all summer. If you enroll by March 30, you'll receive a certificate in May so that you will be able to use your pass before camp. <i>Instructors: Eileen Rutter and Liz Daniels</i> *Requires payment of an additional \$30 fee.	2nd - 8th
6E	Chigiri-e: Japanese Style Collage	Chigiri-e is the art of tearing washi paper (Japanese handmade paper) and creating a collage. Students will create a progressive, multi-step collage project. In between working on the collage, campers will enjoy Japanese snacks including Mrs. Gore's homemade pancakes. This camp will be loads of fun, food, and creativity. <i>Instructors: Leslie Gore and Rita Powell</i>	3rd - 8th
